**Third Brain Trust cum Workshop Meeting
Year 2013-14**

Dear member,

It has been about 8 years since the Right to Information (RTI) law has come into being. It is an important tool in the hands of every citizen of the country who can today ask for the accountability in public offices. The law is a great weapon for the professionals like Chartered Accountants especially while dealing in Income Tax Proceedings.

Moreover, during the course of professional practice various questions emerge from clients with regard to permissible investments by non residents in India, be it investment in immovable property or investment in business. Many a times there are no easy answers to these simple questions. Keeping this in view, the third brain trust meeting is arranged on the topic of **“Use of RTI in Income Tax Proceedings”** and **“FEMA & Non Residents – Some Practical Issues”** on Wednesday, 18-12-2013. The details of the program are as under:
