

CHARTERED ACCOUNTANTS ASSOCIATION, AHMEDABAD

Chartered Accountants Association Ahmedabad (CAA) is a voluntary and Non Profit Organization of immense repute, carrying on the activities of imparting technical guidance to its members and engaged in research activities in the field of Trade, Commerce, Accounting and tax laws. CAA has a strength of more than 1400 members with various associations with other such organizations, trade and industry associations.

Of late, with the fast moving and booming Indian economy, laws and procedure are changing very fast and Goods and Service Tax (GST) is one such reform, which is going to affect the Indian economy. **With the GST being implemented very soon, it is very essential for the accountants to have a brush up on the various sections of GST.**

Keeping in view the impact of GST on the various, it was envisioned by CAA to help the accountants leapfrog into the new era of taxation. With this specific motive, the CAA has designed a unique training program for accountants **Accountant Plus** to groom tomorrow's accountants to meet the challenges of "One Nation One Tax" as envisaged by the nation and **apply theoretical knowledge into practice.**

At **Accountant Plus**, we shall put our best efforts and get best faculties to lend their vast knowledge in the subjects of GST. We are very much sure that such programs shall be extremely useful for the accountants and we assure you of a very fruitful usage of time, which is going to benefit in the future. Details of programme and registration form are attached herewith. **Please register the Accountants of your esteemed organization and/or clients as early as possible.**
